### 3.4 Microsoft Planner Chart

## 4.0 Gitlab commit history

The screenshot shows the GitLab interface for project 2023-234. The left sidebar contains a navigation menu with options: Project overview, Repository (selected), Files, Commits, Branches, Tags, Contributors, Graph, and Compare. The main content area displays the commit history for the master branch. A search bar at the top allows filtering by commit message. The commit list shows a series of commits, each with a commit icon, a commit message, and a commit hash. The commits are listed in descending order of time.
